Welcome to Western

We are a leading Canadian research-intensive university known for our beautiful campus and unmatched student experience.

Ranked in the top 1 per cent of universities worldwide, Western takes academics seriously. But we also believe a university education is about more than simply acquiring knowledge—it's about your experiences and finding a supportive community that inspires you to do your best and be your best.

Our world-class faculty members, services and programs will provide you with unique opportunities to explore your passions, discover your purpose and positively impact the world.

Find out what we're all about and how you can join the Western community.

“The warm culture that Western has makes it so easy to form deep connections with others. I'm so glad Western brought us all together.”

➤ Aidan Loh, BA'24

Land Acknowledgement

Western University is located in Dish With One Spoon Treaty Territory, the ancestral territory of the Anishinaabek, Haudenosaunee, Lūnaapéewak and Chonnonton Nations.

Your New Home

Your Connected Community

Our expansive and welcoming campus is one of the most scenic in North America and the hub of student life. Stunning natural surroundings and inspiring indoor spaces offer many opportunities to gather with friends or scout out your own personal study nook.

“Western’s support services helped me settle in and build a community.”

➤ Greeshma Rosario, management and organizational studies student

A City Made for Students

Western is located in London, Ontario, Canada, a city renowned for excellence in education and health care, its lively arts, culture and sports scenes, as well as many recreational opportunities.

employment rate within six-months post-graduation

Career Guidance

Meet with a career coach, attend a resume review session or take part in one of our career fairs to make connections across a variety of industries.

Entrepreneurship

Do you want to learn about starting a business? Do you already have your own business? We can support you in navigating the complexities of becoming a business owner. Western is home to one of the world's largest entrepreneurship teaching groups that can help you at every stage of the process—from idea generation to nurturing and growing a new business.

Community Engaged Learning

Team up with local and international groups and organizations to develop solutions to the most urgent challenges of our time. Whether as a volunteer or as part of your coursework, Western's community-led problem-solving approach offers you opportunities to gain skills and experience beyond the classroom by engaging in your community and beyond.

Research Projects

Work with renowned faculty in world-class research facilities to develop your professional skills and help foster a culture of research excellence on campus.

Admissions

Competitive high school grades and proof of English proficiency are required. Depending on the program you apply for, required high school courses and supplemental applications, essays, tests or auditions may be needed.

Find out the requirements for your country

English Requirements

Classes are taught in English. If English is not your first language, you must provide proof of English language proficiency through an official test or EAP program. If your scores do not meet Western's requirements, you may be offered a spot in the Western English Language Centre, no additional application required.
